

# Manifesto for planetary transformation I Part 1

Every Tuesday, 19:19 (time slot approx. 30 min. | Duration approx. 5 min.)

Please send exactly, loudly, inwardly pure and with loving determination into the agreed field.

---

- I arise to the powerful Creator I am.
- The Revelation of All Oneness reveals itself to us.
- The Truth reveals itself to us.
- Clarity sets in - within me and around me.
- Healing sets in - in me and around me.
- Our inner being is peacefulness and peacefulness reigns around us.
- We are light. The rays of our light illuminate and transform every hostile acts on Human Beings, seen or hidden.
- We declare all intentions and actions to enslave the inhabitants of the earth to be absolutely ineffective – instantly.
- Experiences of slavery and exploitation of the earth and its inhabitants - we declare finished from this moment on.
- We abolish the programming of the "conscious-less" earthly epoch.
- We release every opponent of the NEW lightful era on earth - in love - from earthly service. A corresponding planet is ready for all of you.
- We activate on earth and in us - the reality of prosperity, thoughtful individuality joined together in equality, cordiality and self-awareness.
- We activate for the Earth the age of the highest benevolent consciousness and awareness in harmony with all that is - GOOD, TRUE and BEAUTIFUL.
- We are ready - We choose the rapid transition.
- We initialize and anchor the fundamental frequencies for the NEW planetary ERA of conscious, loving, and spiritually awakened experience.
- The era of lived wisdom, lived love and happiness as well as lived respect for one another - manifests itself in me and around me.
- Into this reality flow my creative power, the intention of my true being and the authority of my individual signature.
- We declare any amendment immediately null and void.

So it is! So it is! So it is! - This is my Highest FREE WILL

---

Joint decision by "old" souls who have committed themselves to laying NEW foundations.

*Received during the astral journey to the "Old Souls Congress 2.0" by Kaja Hammer*
